# ARCHIVE

This highly accessible and illustrated archive documents twenty-five years history of Zap Art productions: the comedy, cabaret, poetry, film, installation, dancing, theatre, music, street art, pantomime, alternative circus, festivals and more.

The archive is composed of a series of cultural artefacts collected over this time period including publications, programmes, publicity, photographs and video footage.

## **How the website material is organised:**

### **Homepage**

The homepage is an interactive timeline illustrating 25 years of Zap Art.

### **Year page**

Overview of major events and key developments for each year.

You can scroll through each year by using the arrow tabs on the right of the page.

A year page also includes links to featured events.

### **Featured Events**

A selection of key events ordered chronologically month by month.

Events that occurred over more than one month are featured in the month they began.

You can scroll through a year's events by using the arrow tabs on the right of the page.

A featured event also occasionally includes links to additional highlights.

### **Highlight s**

A selection of event highlights. You can scroll through an event's highlights by using the arrow tabs on the right of the page.

### **PDFs**

When a poster, flyer, listings or other printed memorabilia is of particular interest it has been made available as a pdf for you to download and study in more detail.

### **Video**

If available video recordings of an event can also be viewed on the website. You will need Flash Player 8 or higher installed on your computer to view these.
